		Forward	Vehicle 3 point belt	

*ECE = European Standard for Safety Equipment

The child safety seat has been designed, tested, and certified according to the requirements of the European Standard for Child Safety Equipment (ECE R129). The seal of approval "E" (in a circle) and the approval number are located on the approval label (sticker on the child safety seat).

This approval will be invalidated if any modifications are made to the child safety seat. Only the manufacturer is permitted to make modifications to the child safety seat.

**Proper seating
positions for your child
car seat.**

If you need to install the seat in the front passenger seat, please ensure that the airbag is deactivated to avoid serious injury.

**READ USER MANUAL PRIOR TO INSTALLING
AND USING THIS BABY CAR SEAT.
KEEP THIS MANUAL FOR FUTURE USE.**

1. The rigid items and plastic parts of the child car seat should be located and installed so that they are not likely to become trapped by a movable seat or in the vehicle's door during everyday use.
2. Any straps securing the restraint to the vehicle should be tight. Straps or impact shields restraining the child should be adjusted to fit the child's body, and straps should not be twisted.
3. It is important to ensure that the lap straps are positioned lower than the baby's hips.
4. The child car seat should be replaced if it has been subjected to violent stresses in an accident.
5. DO NOT leave your child unattended in the baby car seat.
6. Secure any luggage or other objects that could cause injuries in the event of a collision.
7. DO NOT use the car seat without the fabric cover.
8. DO NOT replace the cover of the baby car seat with anything other than the one recommended by the manufacturer, as the cover is an integral part of the restraint system's safety performance.
9. Refer to the vehicle manufacturer's handbook for the use of an "i-Size ECRS".

2. Product Description

ISOFIX Guide

Insert the ISOFIX guides onto the car's anchors to attach the child seat securely.

- 1. Headrest
- 2. Shoulder Belt Guide
- 3. Lap Belt Guide
- 4. ISOFIX Releasing Handle

2. Product Description

- 5. Backrest Adjusting Handle
- 6. Folding Button
- 7. Carrying Strap
- 8. ISOFIX Connect Locking Arms
- 9. ISOFIX Unlocking Button
- 10. ISOFIX Double-locking Button
- 11. User Manual Storage

3.Basic Information

Foldable Booster Seat

There are 5 recline positions for this product. Pull the recline position adjustment handle (14), and push or pull the seat to the desired position.

Headrest Height Adjustment

The adjustable headrest has 8 positions. Adjust the headrest (2) to the most suitable height by vertically pulling the headrest height adjustment lever (7).

3.Basic Information

User Manual Storage

The user manual is located inside the fabric of the booster seat. Please remove the fabric cover to access the manual."

4. Instruction for Stature 100-150cm

4. Instruction for Stature 100 - 150cm

- 1 Press the folding button **(6)** to unfold the booster seat.
 - 2 Open both sides of the headrest to unfold it.
 - 3 Pull the ISOFIX release handle **(4)** to extend the ISOFIX connect locking arms **(8)**.
 - 4 Insert the ISOFIX connect locking arms **(8)** into the ISOFIX fixture points in the vehicle seat. Ensure a "click" sound and a green indication on both ISOFIX installation indicators.
 - 5 Pull the seat back adjusting the handle **(5)** to adjust the seat back to the proper position.
 - 6 Thread the seat belt through the shoulder belt guide **(2)** and lap belt guide **(3)**.
- After ensuring the seat belt is correctly fastened on the booster seat, lock the seat belt until you hear a "click".

5. Removing The Seat

5. Removing The Seat

- 1 Unfasten the seat belt, ensuring the belt is removed from the shoulder belt guides (2) and lap belt guides (3).
- 2 Press the ISOFIX unlocking button (9) and the ISOFIX double-locking button (10) simultaneously. When the ISOFIX installation indicator shows red, it means the ISOFIX connecting arms (8) are disconnected from the fixture points.
- 3 Pull the ISOFIX release handle (4) and push the ISOFIX connecting arms (8) into the booster seat.
- 4 Fold both sides of the headrest.
- 5 Press the folding button to fold the booster seat.

6. Important Safety Precautions

Never leave your child unattended in the child safety seat, especially when not in the vehicle.

For the protection of all vehicle occupants in the event of an emergency stop or accident, unsecured persons or objects may cause injury to other vehicle occupants.

Always ensure the following:

The backrests of the vehicle seats are locked (e.g., the foldable rear seat bench latch is engaged).

- All heavy or sharp-edged objects in the vehicle (e.g., on the parcel shelf) are secured.
 - All passengers in the vehicle have their seat belts fastened.
- The child safety seat is always secured when in the vehicle, even if no child is being transported.

To Maintain Optimal Protection

- In the event of a collision at a speed exceeding 10 km/h, the child safety seat may incur damage that is not immediately visible.
- It is important to replace the child seat after such incidents to ensure continued safety. Proper disposal of the damaged seat is required.

7. Care and Cleaning

- Regularly inspect all components for any signs of damage. Verify the proper functioning of all mechanical parts regularly.
- To avoid damage or breakage, ensure the child seat does not become trapped in car doors, seat tracks, or other vehicle mechanisms.
- If the child seat sustains damage (e.g., from being dropped), it must be inspected by the manufacturer for safety assurance.

Notes for Cleaning the Car Seat

- To maintain the proper functionality of the car seat, please ensure that only original replacement seat covers are used. Replacement seat covers are essential for the correct performance of the car seat and are available from your retailer or authorized branches.

The child seat must not be used without the seat cover.

- The cover can be removed and washed with a mild detergent delicate cycle (30°C). Follow the instructions on the washing label of the cover. The cover's colors may fade if washed at temperatures higher than 30°C. Do not spin dry, and never use an electric dryer as the fabric may separate from the padding.
- Clean plastic parts with soapy water. Do not use harsh cleaning agents such as solvents.

8. Warranty

We provide a 3-year warranty for this child car seat against manufacturing or material defects. The warranty period begins on the date of purchase. To validate the warranty, please keep the invoice and register your product on jovikids.com.

The Warranty Does Not Cover:

- Natural signs of wear and damage resulting from excessive stress.
- Damage resulting from inappropriate or improper use.
- Color fastness may diminish when exposed to UV radiation. However, all fabrics fade when exposed to UV radiation. This is not a material defect but a normal sign of wear that is not covered by the warranty.
- Buckle malfunction is often due to the accumulation of dirt and dust, which may prevent it from working properly. If this occurs, please check if you can clean it yourself without damaging the buckle. If cleaning does not resolve the issue, please contact after sales service.

For warranty claims, please contact your retailer directly.

They will provide the necessary advice and support.

When processing claims, product-specific depreciation rates will be applied. Please refer to our General Terms and Conditions, which are available from your retailer.

9. Safety Checklist

- ☒ Did you read and understand the vehicle owner’s manual, this user’s manual, and all labels found on this Child Restraint?
- ☒ Is the backrest of the booster seat adjusted to the appropriate height for the child?
- ☒ Is the child’s height between 100-150cm?
- ☒ Is the booster seat fully unfolded while in use?
- ☒ Is the vehicle seat belt properly secured to the booster seat according to the instructions?
- ☒ Do you regularly check the installation and condition of the Child?
- ☒ Restraint to ensure it remains in good working order?

If you answered YES to all these questions, you are good to go, and please DRIVE SAFELY!
